

CA Communications, Inc. Teams Up with Broadvox to Provide Feature-Rich, Cost-Effective SIP Trunking Solutions

Local Companies to Benefit from One of the Largest Global VoIP Networks

MINNEAPOLIS, MN — March 31, 2008 — CA Communications, Inc., the region's leader in business communications, announced a new strategic partnership with Broadvox, a leading provider of SIP Trunking solutions for SMBs and enterprises. The agreement enables CA Communications to provide feature-rich, cost-effective SIP Trunking solutions to their impressive list of customers.

SIP Trunking is a viable cost-saving move for small to medium sized companies because it offers several tangible opportunities to increase profits through unlimited local calling, lowered long distance rates and by utilizing existing and new IP PBXs. The reduction in cost per minute for communication provided by SIP Trunking gives SMBs an almost immediate ROI. The Broadvox GO! SIP Trunking solutions provide the flexibility to satisfy virtually any requirement needed by distributed business environments. With phone numbers from over 7,000 rate centers, Broadvox can provide new or port existing numbers nationwide. The Network Operations Center is staffed 24x7x365 to support a robust network that covers more than 90% of the U.S. and Canada. Broadvox GO! SIP Trunking saves users as much as 70% compared with traditional TDM providers.

"We are pleased to present Broadvox's industry leading solutions to our valuable customer base," stated Marc Agar, President & CEO of CA Communications. "This partnership

with Broadvox will support our mission of increasing our customers' profitability, improving employee productivity, and giving them a competitive advantage in their marketplace."

"SIP Trunking is rapidly increasing in popularity among small to medium sized businesses," said Mark Bresler, VP Channel Sales at Broadvox. "These organizations are realizing the significant economic and technological benefits from the latest in VoIP. CA Communications is very well respected in their community and we're fortunate to have partnered with them to enhance the communications of the companies they serve."

ABOUT CA COMMUNICATIONS, INC.

CA Communications is a business resource for all of our customers' telecommunications, computer hardware, software, service, and support needs. With over 20 years of experience in design, installation and service of voice, data, and networked communication systems, CA Communications understands business communication needs and can customize a system to exact specifications.

CA Communications provides its customers with industry leading products, which are serviced by factory certified technicians. The company is an authorized Toshiba dealer and can equip any organization with a traditional phone system or provide cutting edge technology such as IP Telephony.
